### FUTURE ART LOCATION

Lāhainā Town and Kā'anapali have some blank walls that would be great places for a mural. Snap a picture of a location that you think could use a local artist's help.

### WATER ACCESS

Some people swim in pools, some people swim in oceans. Take a picture of people enjoying the water near the corridor, whether in a canoe, on a surfboard, or swimming.

### TOUGH PLACE TO WALK

Sometimes a sidewalk ends, or you can't cross the street—what a bummer. Help us find locations along the corridor that need sidewalks or safe crossings. Can you find a spot that would be really tough for someone in a wheelchair or pushing a stroller?

### PLACE TO PLANT A TREE

Trees are awesome because they provide shade and help clean the air. Take a photo of a spot that needs a tree.

### SCULPTURE

Did you know you can find cool sculptures in Lāhainā and Kā'anapali? Find one of the whale sculptures at Whaler's Village or another interesting sculpture near the corridor.

### MAUI BUS

Maui Bus moves a lot of people around the island each day. Can you catch a bus zooming down the street? Or find people getting on board at a stop in the area?

### PLACE WHERE YOU SHOP

Snap a pic of your favorite place to shop. Is it a store in Lāhainā Gateway, Whaler's Village, the Wharf, or somewhere else?

### INTERESTING SIGN

Businesses use fun signs to encourage people to visit them. Show us one along the corridor that you think is pretty neat.

### SCHOOL

There are schools for keiki of all ages in the Community Corridor, and we need to make sure it's easy to walk, bike, and take the bus to reach them. Grab a shot of the pick-up or drop-off time at a school that shows how most people get around.

### PARK

Parks come in all shapes and sizes. Is your favorite a ball field, a playground, or a garden? Show us where you relax or play along the corridor.

### BENCH OR PLACE TO SIT

Snap a selfie of you sitting on a bench. Is it outside a business? At a bus stop? In a park? Can't wait to find out!

### BEAUTIFUL WEST MAUI

West Maui is full of natural, historic, and cultural sites, and the view into the West Maui Mountains is amazing. Snap a pic that truly captures the beauty of West Maui.
